VOLUME XLIV
NUMBER 5

GOVERNOR DUMMER ACADEMY - SOUTH BYFIELD - MASSACHUSETTS

A Different Kind of School Catalog

This special issue of the school newsmagazine, *The Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of *The Archon* published during the school year just past.

The last three pages carry a roster of trustees, faculty, and students for 1956-57.

THE COVER

Mr. Richard F. Bartlett's drawing, reproduced on our cover, shows the Phillips Building, which contains the dining hall and kitchen, the administrative offices, some dormitory space, and a large school living room. The Phillips Building, a memorial to the late James Duncan Phillips, long-time President of the Board of Trustees, was completed in 1941.

THE ARCHON

South Byfield, Massachusetts
Volume 44 - Number 5
July 1, 1957

ACADEMY OPENS WITH CAPACITY ENROLLMENT

Twenty states, the District of Columbia, and three foreign countries were represented at Governor Dummer for the 1956-57 school year. There were one hundred and ninety-four boarders and twenty-three day students, making a total of two hundred and seventeen boys. Every available room was filled, including six extra rooms made available by changes in faculty housing.

*Students Come from Twenty-one
States, Three Foreign Countries*

Students outside of Massachusetts came from the following states: California 1, Connecticut 9, Iowa 2, Illinois 6, Louisiana 1, Maine 12, Michigan 1, Nebraska 2, New Hampshire 8, New Jersey 7, New Mexico 1, New York 21, Ohio 5, Pennsylvania 5, Rhode Island 6, Texas 1, Virginia 1, West Virginia 1, and Wisconsin 1. There was, in addition, one boy from the District of Columbia.

Foreign students came from the British Crown Colony (Hong Kong) and England. In addition, Pakistan was represented by an American boy whose parents are now resident in that country.

MR. EAMES IS NEW PRESIDENT OF HEADMASTERS ASSOCIATION

Mr. Edward W. Eames was elected President of the Headmasters Association for a one-year term at the annual meeting held at the Westchester Country Club in Rye, New York, on February 14-15.

The Association is nationwide and is limited to one hundred members. Three-quarters of the members are headmasters of independent secondary schools, including both boarding and day schools. One-quarter are principals of high schools. Mr. Eames first became a member of the Association in 1937 and has since served as a member of the Executive Committee and as Vice President.

CLASS OF '57 SUCCESSFUL IN COLLEGE ADMISSIONS

Despite the severe nation-wide competition for admission to college, all but two of this year's fifty-two seniors were already admitted to college when they marched around the Milestone at the end of their graduation exercises. Eight were headed for Harvard, four for Brown, three each to Amherst and Yale, smaller groups to Bowdoin, Dartmouth, Williams, and twenty-two other colleges, mostly in New England and the East.

Harvard, Amherst, and Dartmouth

Favored in Eleven-Year Totals

Since the scholastic standing of a school is shown not only by the proportion of graduates who gain admission to colleges, but also by the type of college chosen, Governor Dummer is justly proud of the following list which includes all colleges to which twelve or more graduates have gained admission in the eleven post-war years.

Harvard	88
Amherst	49
Dartmouth	45
Brown	44
Colby	33
Princeton	25
University of New Hampshire	24
Yale	24
Bowdoin	20
Trinity	20
University of Virginia	17
Washington and Lee	17
Middlebury	16
Williams	15
Cornell	14
Boston University	12
Hamilton	12
M.I.T.	12

Total	487
66 other colleges receiving fewer than twelve boys each	187
Total entering all colleges	674

THE ARCHON OF GOVERNOR DUMMER ACADEMY

INTERIOR OF ORIGINAL SCHOOLHOUSE

The old Red Schoolhouse, built in 1763 and restored in 1938, is furnished with authentic Colonial pieces, including a dunce stool, an old Bible box, and the Union Jack. The cane hanging from the master's box is no longer in use.

BUILDING FUND CAMPAIGN GOES WELL OVER THE TOP

Library and Science Building Will Be Dedicated on Parents' Day

At the Commencement Dinner on May 31 Mr. Philip M. Morgan of the Academy's Board of Trustees announced that the \$650,000 goal of the Library and Science Building Fund campaign had been exceeded by more than \$20,000.

Mr. Morgan, Chairman of the Building Fund Committee, said that over 700 contributors, more than half of them graduates of the school, had helped to achieve the goal. He pointed out that this had been the largest campaign ever launched by the school and that it had been completed in less than two years.

Mr. Marshall B. Dalton, President of the Board of Trustees, reported on progress of construction and said he hoped that the Library and Science Building would be ready for occupancy at the opening of school in September.

Mr. Dalton also announced that the building would be dedicated on Parents' Day, October 19, 1957, and he expressed the hope that as many parents as possible would be present for the occasion.

SYMPHONY HALL CONCERT TOPS GLEE CLUB SCHEDULE

After many rehearsals at Governor Dummer and several joint concerts in Boston, a large portion of the Senior Glee Club and many student spectators journeyed to Boston's Symphony Hall on April 7 for the Twelfth Annual Concert of the New England Preparatory School Music Festival Chorus.

Again this year the concert was under the brilliant baton of Maestro Wilfrid Pelletier, who was assisted by thirty members of the Boston Symphony Orchestra, organist Edward Gammons, and soloists Georges Coulombe, tenor, Shirley Thompson, soprano, and Robert D. Kerns, baritone.

The other participating schools were Beaver Country Day School, Dana Hall, Groton School, Milton Academy, Phillips Exeter Academy, Walnut Hill School, and Winsor School.

RETESTS PROVE VALUE OF DEVELOPMENTAL READING

In the fall of 1955 Governor Dummer began work in Developmental Reading with a group of 52 volunteers from the then junior class. The purpose of the work is to improve speed and comprehension in silent reading. Unlike Remedial Reading, which provides individual help for a small number of handicapped readers, the developmental work benefits almost all students by helping them to acquire the reading speed and comprehension needed in advanced courses in school and in college.

Encouraged by results achieved with the initial volunteer group, many of whom more than doubled their reading speed at the same time that they improved their comprehension, the English department extended the work to all sophomores in the spring term of 1956. Beginning with the fall of 1956 the school has adopted the policy of including Developmental Reading work in one of the English courses required of all sophomores.

During the spring term of 1957, Mr. Mercer and Mr. Murphy retested those students still in school who had completed their Developmental Reading course in the preceding year. They fully expected that there would be a considerable relapse from the gains made in speed and comprehension during the period of intensive training. However, they were agreeably surprised to find that out of forty-one boys tested, nineteen had actually made further gains, and the remaining twenty-two had lost only a small portion of the gains made in the previous year.

TUFTS PRESIDENT SPEAKS AT CUM LAUDE INITIATION

On Friday, May 10, ten new members were initiated by the Governor Dummer Chapter of the Cum Laude Society, the national secondary-school honor society which corresponds to Phi Beta Kappa in American colleges.

Following the dinner and initiation ceremony, an address was given to the student body by Dr. Nils Y. Wessell, President of Tufts College.

THE GOVERNOR DUMMER GLEE CLUB

The 1956-57 schedule included four joint concerts with the girls of the Winsor School, Walnut Hill School, Dana Hall School, and Beaver Country Day School. The Club also participated with those schools, Groton School, Milton Academy, and Phillips Exeter Academy in the New England Preparatory School Music Festival at Symphony Hall, Boston, where nearly 2,000 listeners heard them present a two-hour program conducted by Wilfrid Pelletier. At each of the joint concerts a dinner party for the members of the participating clubs preceded the concert and informal dancing followed.

GLEE CLUB HAS JOINT
CONCERTS WITH WALNUT
HILL AND DANA HALL

After the Christmas holidays the Glee Club set to work in earnest to prepare for the Walnut Hill concert to be held at Natick on February 9.

The Governor Dummer club roused the audience with their very effective interpretation of songs from *The Student Prince* and followed with an interesting rendition of *The Musical Trust*. The concert was highlighted by the debut of the 1957 Meistersingers under the direction of Mr. Kerr. Their presentation of a lively spiritual ballad *Ride the Chariot* was received with great applause.

After the concert a short dance was held for both clubs to climax a very enjoyable evening.

The Dana Hall Club from Wellesley were the guests of Governor Dummer at a similar concert held in the Alumni Gymnasium on Saturday, March 9.

The Dana Hall Club arrived in time for a late afternoon rehearsal and were entertained at dinner before the concert and at a dance following it.

JUNIOR GLEE CLUB SCHEDULE
INCLUDES FOUR JOINT CONCERTS

The Junior Glee Club, organized three years ago to provide an opportunity for younger boys to share the same musical training and social opportunities enjoyed by the upper-class members of the Senior Club, continued to flourish under direction of Mr. Albert L. Kerr.

During the winter term the club participated in joint concerts with girls clubs from the Beaver Country Day School, from the Walnut Hill School, and from the Shore Country Day School. During the spring term a similar concert was scheduled with the Dana Hall School.

The season opened with a concert and dance at Beaver on February 9. At Walnut Hill on February 23 the Governor Dummer club was entertained at dinner and dancing; and on March 2 an enjoyable dance followed the concert with the Shore Country Day School.

CHURCH AND SCHOOL LEADERS
SPEAK AT VESPER SERVICES

FALL TERM

Dr. Everett C. Herrick, retired President of Andover-Newton Theological School.

Dr. Sidney Lovett, Chaplain of Yale University.

The Reverend Roy M. Pearson, Dean of Andover-Newton Theological School.

The Reverend Kenneth C. Gesner of the First Church in Chestnut Hill.

The Reverend Daniel Bliss of The Second Congregational Church in Greenwich, Connecticut.

The Rev. Roy L. Minich of The First Church in Malden.

The Reverend James W. Lenhart of State Street Congregational Church, Portland, Maine.

The Reverend Wallace W. Anderson of the United Congregational Church, Bridgeport, Connecticut.

The Reverend John Nicol Mark, Minister Emeritus of the Unitarian Church in Arlington.

The Reverend Frederick M. Meek of the Old South Church, Boston.

The Reverend Bertram H. Steeves of The First Religious Society, Newburyport.

WINTER TERM

Dr. Frederick May Eliot, President of American Unitarian Society.

The Reverend C. Daniel Boone of Ascension Memorial Church, Ipswich.

Dr. Robert Wood Coe, Executive Secretary of Massachusetts Bible Society.

The Reverend Heinz Rettig of First Parish Church in Taunton.

Mr. Charles Batten, Professor of Christian Ministry at Episcopal Theological School.

The Reverend Rollin J. Fairbanks of Episcopal Theological School and Harvard Divinity School.

The Reverend Howard E. Nason of Byfield Parish Church.

Dr. Ronald P. Bridges, Chief of Religious Information, U. S. Information Agency.

SPRING TERM

The Reverend Leslie R. Wadsworth of The First Church in Newbury.

The Reverend William Coffin, acting school minister of Phillips Academy, Andover.

The Reverend Roger Hazelton of Andover-Newton Theological School.

Dr. Harold Bentley, Director of Worcester Junior College.

Mr. E. Francis Bowditch, Special Assistant to the President, Massachusetts Institute of Technology.

Dr. Paul A. Wolfe of The Brick Presbyterian Church, New York City.

Mr. William C. Fowle, Assistant Headmaster of Hotchkiss School, Lakeville, Connecticut.

Dr. Claude M. Fuess, Headmaster Emeritus of Phillips Academy, Andover.

Dr. Walter D. Kring of The Unitarian Church of All Souls, New York City.

PRESIDENTIAL ELECTION STIRS GREAT INTEREST ON CAMPUS

The national election stimulated an unusual amount of interest in national politics among the students at Governor Dummer last fall.

Helping to stimulate interest was the visit, on October 31, of Mr. Augustus G. Means, young Republican from Essex, Mass., who was actively campaigning for re-election to his place on the Governor's Council. Mr. Means spoke to the student body, tracing the history of presidential elections since the present two major parties emerged.

A few days later the students held an old-fashioned political rally complete with slogans and placards. Donald Kaufman, Robert Temple, and Billy George espoused the cause of Mr. Stevenson, while Peter Ober, Peter Stanley, and Fred Estey championed Mr. Eisenhower. The audience responded with mixed cheers and heckling, and the mock election which followed accurately predicted the Republican landslide which occurred on November 6.

On election night, at the close of study hall, the students gathered in the Cobb Room, where a special television set had been installed, and followed the returns. Two portable blackboards had been set up on which the results by states were recorded and changing totals shown. By midnight most of the students were satisfied that the contest was over, but a few diehards stuck it out to hear Mr. Stevenson concede the Republican victory.

PHYSICS STUDENTS DISPLAY AND EXPLAIN THEIR PROJECTS

At a special school meeting on Friday, May 17, five members of Mr. Miller's Physics classes gave a very interesting, one-hour demonstration of the projects they had developed and assembled during recent months. During the year each student is required to develop three such projects. One must feature a working model; one must involve research; the third can be either.

Peter Ober led off with a discussion of rockets and the possibility of space travel. He had beautiful drawings, models, and facts which showed that enormous strides toward such travel had already been made. Amery Colvin's tape recorder let the students hear the strange beeps, cracks, and whistles which emanate from outer space, and Amery explained their origin and significance.

Robert Temple's high fidelity electronics showed conclusively that as hi-fi addicts the Governor Dummer masters were rank amateurs; and Ned Stone's 255-mirror solar furnace indicated the ultimate source of heat and power when present sources are exhausted. Peter Smith's million-volt Van de Graaff generator sputtered and sparked in a most satisfactory and alarming manner.

HYSLOP AND WHITNEY EARN HARVARD *MAGNA CUM LAUDE*

Five Governor Dummer graduates of the class of 1953 received degrees at Harvard in June 1957.

The Academy is particularly proud of W. Thomas Whitney and Newton E. Hyslop, Jr., who received their degrees *Magna Cum Laude*. Hyslop has the added distinction of having earned admission to Harvard Medical School. Whitney, who is entering Yale Law School, has the distinction of winning a Phi Beta Kappa Key at Harvard.

MORE BRIEFLY

Robert B. Conklin '56, a freshman at Dartmouth College, was one of eleven boys in a class of 813 to pass the qualifying English exam given during Freshman Week with a score that allows him to omit Freshman English.

THE ARCHON OF GOVERNOR DUMMER ACADEMY

THE LIBRARY AND SCIENCE BUILDING

This latest addition to the Academy plant will be ready for occupancy in September 1957. — will be dedicated on Parents' Day, October 19.

SENIORS AWARDED MANY COLLEGE SCHOLARSHIPS

National Merit Scholarship to Stone

At the graduation exercises on June 1 Mr. Eames commented that this year's seniors had been especially successful in winning scholarship awards for college. In reporting the winners of these scholarships Mr. Eames said in part:

"David Harold Marius Andersen of South Lyme, Connecticut, has been awarded by Williams College an annual scholarship covering full tuition for four years.

"Frank Secor Dickerson, III of Hingham has been awarded an International School-boy Fellowship, which provides him a full scholarship for one year of study at a school in England.

"John Robert Kancavicus of Bradford has been awarded by Massachusetts Institute of Technology a named scholarship providing for full tuition, together with an additional sum of money. This also is an annual award.

"Peter Chapin Ober of Lunenburg has been awarded by Harvard College one of her famous National Scholarships.

"Robert Everett Temple of Byfield has been awarded by Harvard College a four-year scholarship covering a substantial part of his annual tuition.

"The National Merit Scholarship Program was founded two years ago with a grant of \$20,000,000 from the Ford Foundation and additional funds from fifty-seven other business corporations. An annual, country-wide competition is held for these scholarships. This year three of our seniors — *Peter Chapin Ober* of Lunenburg, *Edward Johnson Stone* of South Byfield, and *Robert Everett Temple* of Byfield — qualified as finalists. These students are believed to rank in the top 1% of secondary-school seniors in the nation.

"One of our three finalists, Ned Stone, was selected as the winner of a National Merit Scholarship in the final competition. Only 830 of these scholarships were awarded in the entire country."

THE ARCHON OF GOVERNOR DUMMER ACADEMY

MR. AND MRS. BENJAMIN J. STONE

Shown here is the Director of Studies and Mrs. Stone about to enter the Phillips Building on Dance Week-End. This year Mr. Stone completed twenty-five years of service at Governor Dummer and now joins Mr. Eames, Mr. Dunning, Mr. Mercer, Mr. Murphy, and Mr. Sager in the "Old Guard". Between them they have already served the Academy a total of 160 years.

STUDENTS ENJOY MANY TRIPS TO BOSTON EVENTS

During the winter term an unusual number of cultural and educational events in Boston and elsewhere aroused sufficient interest among the Governor Dummer students to justify organized trips.

On February 3 Mr. Williams took a group to the Exeter Theater in Boston to see the interesting and technically outstanding movie on the work of Albert Schweitzer in Africa.

Three weeks later another group, accompanied by Mr. Sperry, heard the Artur Rubenstein concert in Boston's Symphony Hall.

Mr. Miller was the sponsor of two large groups which toured the General Electric plant in Lynn to learn at first hand of recent developments in electronics and in jet propulsion.

Probably the most eagerly awaited event was the visit of the Metropolitan Opera to Boston's Symphony Hall on April 23. It was necessary to sign up for tickets for the event many weeks in advance and seventeen boys did so.

PUBLIC SPEAKING STUDENTS ADDRESS KIWANIS GROUP

On Tuesday, March 12, four members of Mr. Sager's Public Speaking course made five-minute talks before the Kiwanis Club of Newburyport.

The Kiwanis program differed from that at other service club luncheons at which other boys have spoken in that Donald Kaufman, George Starbuck, Peter Stanley, and John Wichers were given no advance notice of the subject which the toastmaster would call on them to discuss.

THOMAS H. CHALFANT IS ELECTED HEAD OF SENIOR COUNCIL

Every year, in the spring term, the junior class elects twelve boys to serve as the Senior Council the following fall. Council members act as headwaiters; they take attendance at meals, Saturday night movies, and Sunday night vespers. Boys on the Council also assist in proctoring freshman or sophomore dormitories and the Noyes Library. The members

also confer with Mr. Eames on various issues, and the Council as a whole plays a big part in maintaining school spirit and morale.

The following boys were members of this year's Senior Council: David H. M. Andersen, Peter Y. Cadigan, Thomas H. Chalfant, Lyman A. Cousens, 3d, Peter E. Cunningham, Frank S. Dickerson, III, Frederick R. Estey, Cyril H. C. Fung, Donald B. Kaufman, Robert H. Linberg, Harold I. Pouscr, and Peter vonS. Stanley.

Early in the fall the members of the Council held a meeting and elected Thomas H. Chalfant of Springfield president of the group.

MORE BRIEFLY

For the second year, Mr. Murphy is President of the North Shore Adult Education Foundation. This Foundation has been sponsoring a Great Books course for the past few years.

* * *

On October 1, 2, and 3 Mr. Dunning attended the fall meeting of the New England Group of the National Association of Educational Buyers, of which he is chairman, and at the Holderness School on Oct. 11 he read a paper on budget control at the fall meeting of the Independent School Association of Northern New England.

* * *

On Sunday evening, May 26, Mr. and Mrs. Eames entertained the senior class at an informal party in the Mansion House.

Light refreshments and the traditional corn-cob pipes provided a background for an enjoyable evening.

* * *

Richard S. Chamberlain, Jr. '49, Philip C. Johnson '55, Newton E. Hyslop, Jr. '53, W. Thomas Whitney, Jr. '53, and Noel G. Posternak '54, have been named to the Dean's List at Harvard University.

* * *

Allen P. G. Staley '53 has been nominated for a Woodrow Wilson Fellowship for graduate study at Princeton. Allen was on the honor roll his entire four years at Governor Dummer and was elected to membership in the Cum Laude Society.

* * *

Last summer Charles J. Volpone, Jr. '55 won the Massachusetts Amateur Golf Championship and also the distinction of being the youngest medalist in the history of the Championship.

THE MANSION HOUSE, BUILT BY LIEUTENANT-GOVERNOR WILLIAM DUMMER ABOUT 1716, SERVES AS THE HOME OF THE HEADMASTER

PARENTS' DAY ATTENDANCE AGAIN TOPS PREVIOUS RECORD

Governor Dummer parents turned out in record numbers for the annual Parents' Day celebration on October 27. Officials in charge were happy to find 369 parents and relatives on hand, — even more happy to find that out of a total enrollment of 215 boys, 158 had parents or relatives here that day.

The program began with a buffet luncheon in the school dining room at 12 o'clock. In the early afternoon the parents saw four athletic contests in which the Pony football team beat Emerson, the J.V. and varsity soccer teams beat and tied their opponents from Tabor, and the varsity football team lost to Groton.

Receptions in the Cobb and Jacob rooms followed the games, and the day's program was climaxed by a dinner in the Alumni Gymnasium, at which Mr. Eames, Mr. Murphy, and Mr. Witherspoon were the speakers.

MR. BARTLETT HAYES DISCUSSES NEW EXHIBIT OF PAINTINGS

When school reopened for the winter term on January 6, faculty and students were pleased to find a new set of paintings hanging in the dining room. The pictures were loaned to the Academy by the Addison Gallery of American Art at Phillips Academy, Andover, and on January 24 Mr. Bartlett Hayes, Director of the Gallery, spoke on the new paintings at evening meeting.

Paintings displayed were: "Liberty Bridge, Pittsburgh" by John Kane; "An Oklahoma Oil Field" by Joe Jones; "Dordrecht" by Charles Platt; "Washington Square" by Dong Kingman; "Boats", Edmund Lewandowski; "The Rose and The Book", artist unknown; "Lucretia", Esther Williams; "Wellfleet Bay", George Grosz; "Still Life — Ducks", Walt Kuhn; "Flower Women", Iver Rose; "Tremont Street, April 1925", A. C. Goodwin; and "Summer Home", Hobson Pittman.

DATES AND ESCORTS ENJOY DINNER PRECEDING MILESTONE DANCE

MANY FAIR VISITORS GRACE CAMPUS FOR DANCE WEEK-END

Approximately one hundred fair damsels graced the Governor Dummer Academy campus on the sunny weekend of May 4-5 for the annual Milestone Dance. Chairman for this very successful affair was Peter E. Cunningham, assisted by fellow seniors B. Hardy Bedford, Jr., Frank S. Dickerson, III, Geoffrey E. Fitts, William George, James C. Seacrest and F. Jeffrey Williams.

The girls arrived at the Academy via chartered buses from Boston at two o'clock. After meeting their escorts and getting settled, they had a very enjoyable afternoon watching the Governor Dummer varsity baseball and lacrosse teams in close and exciting contests with Tabor Academy and the M.I.T. Freshmen respectively.

At eight o'clock after enjoying a fried chicken dinner, the girls were received by Mr. and Mrs. Eames, Mr. and Mrs. Sager,

and Pete Cunningham, the dance committee chairman; and the dancing began.

After the dance there was a party for the seniors and their dates in the Mansion House and a similar party for the underclassmen in the Phillips Building. Mr. and Mrs. Eames and Mr. and Mrs. Sager were hosts for these parties.

Sunday morning after breakfast the couples attended a chapel service in the Cobb Room. Mr. E. Francis Bowditch, Special Assistant to the President of M.I.T. was the speaker for this service.

MORE BRIEFLY

On the afternoon of December 1, sixty-four Governor Dummer boys of the junior and senior classes travelled to Walnut Hill School for a dinner dance at the invitation of the Walnut Hill junior class. The combination of the dinner and the dance provided a very enjoyable evening for the boys.

EDITORIAL COMMENT

From October 1956 Issue

Today, more than ever before, admission to a top-notch preparatory school is becoming increasingly difficult. In the last three years the number of applications for admission to Governor Dummer has more than doubled; consequently, admission has become largely competitive. What has been true of college admission since the war now holds true at the secondary school level also.

This increase in the number of applications puts an added responsibility on each successful candidate. He has a responsibility to the school which has gambled on his determination to work to the best of his ability.

For the sake of his own future, he should strive to build the best possible foundation for his future in college and after.

He has a responsibility to his parents, who are making sacrifices to give him the best possible preparation.

And lastly, he has a definite responsibility to the unsuccessful candidate whose place in the school he is filling.

Harold I. Pouser

From June 1957 Issue

The spring term is no doubt one of the most cherished recollections of student life at South Byfield. After the long winter, signs of spring are observed with keen interest and pleasure. The rolling campus is cushioned with fresh green grass. Spring is all about, — new leaves rustling in the breeze, apple blossoms scent-

ing the air, birds flashing through the trees. Even the troublesome dandelion is gratefully welcomed.

The days become longer and warmer. The boys respond with flashy shirts and Bermuda shorts. With the arrival of daylight saving, the new spring schedule provides extended leisure time after dinner. A main attraction is the after-dinner soft-ball game between the rival seniors and juniors. The Ould Newbury course is a favorite spot for the golfers. The tennis courts are crowded; sunbathers and loungers are scattered over the lawns. Anglers whip the Ambrose pond, and underclassmen flock to the swimming holes.

Spirit and excitement mount as Commencement nears. Seniors and underclassmen look ahead to the summer months after the close of school. Joyfully, yet with regret, the spring term draws to a close.

William B. Allen

HEADMASTER'S CALENDAR

October 14: Attended 100th anniversary of St. Paul's School, Concord, New Hampshire.

October 20: Attended meeting of Essex County Y.M.C.A. Committee.

October 24: Attended meeting of the Executive Committee of the Headmasters Association in New York.

December 7: Delegate to annual meeting of New England Association of Colleges and Secondary Schools in Boston.

January 30: Attended annual meeting of the Corporation of the Anna Jaques Hospital, Newburyport.

January 31: Moderator of panel discussion on "The Future of Amherst College" at a meeting of Amherst alumni in Boston.

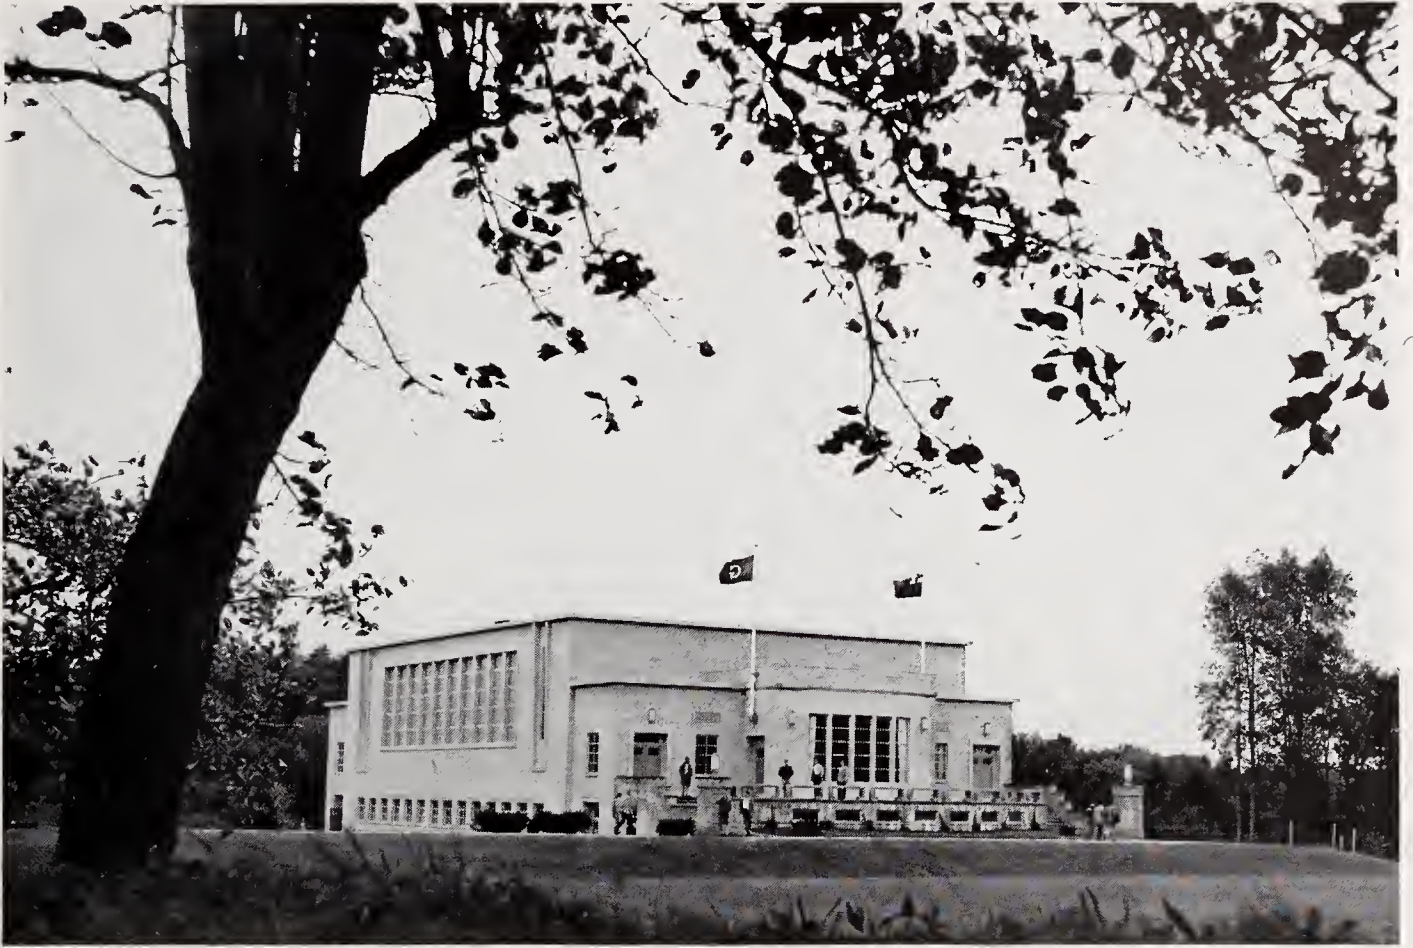

February 14-15: Attended annual meeting of Headmasters Association at Rye, New York.

April 27: Attended meeting of the Trustees of International College of Beirut.

April 30: Speaker at Deerfield Academy alumni dinner in Boston.

June 5: Speaker at Deerfield Academy Commencement Dinner.

June 6: Gave graduation address at Rivers Country Day School in Chestnut Hill.

THE NEW ALUMNI GYMNASIUM WAS DEDICATED IN JUNE 1950 TO 700 GRADUATES WHO SERVED IN THE SECOND WORLD WAR. GENEROUS GIFTS MET THE ENTIRE COST OF THE BUILDING.

RECENT FILMS INCLUDED IN SATURDAY MOVIE SCHEDULE

Some of the films booked during the year for the regular Saturday night movies were: *The Man Who Never Was*, *Carousel*, *The King and I*, *Away All Boats*, *Moby Dick*, *Friendly Persuasion*, *The Mountain*, and *Anastasia*.

Additional new equipment was installed at the beginning of the year to improve lighting and sound in connection with the cinemascope screen installed in 1956.

RE-ACTIVATED RADIO CLUB WILL OPERATE OWN STATION

The newly re-formed Radio Club got off to a favorable start this year.

The officers were Ross Chace, president; Sandy Cate, secretary; and Michael Honer, treasurer.

The aims of the club are to provide an active station for those interested in making

use of their amateur licenses and to give help and instruction to those who wish to learn about the various aspects of electronics. The club also runs code classes.

Meetings were held every Sunday in the basement of Ingham at 2:00 p. m. Mr. John Fenn of the Science department was faculty advisor.

RELIGIOUS DISCUSSION GROUP CONTINUES WITH MR. WILLIAMS

The Religious Discussion Group, begun several years ago by Mr. Cleveland, was continued this year by Mr. Williams and a group of fourteen seniors.

The group met after vespers on Sunday evenings in the old colonial kitchen of the Mansion House to discuss various religions and religious viewpoints. Mr. Williams acted as moderator but the discussion was carried on by the boys themselves.

Several of the vesper speakers joined the discussion with this group.

FRANK S. DICKERSON WILL BE ENGLISH EXCHANGE STUDENT

Frank S. Dickerson, III has been selected by the English Speaking Union for an International Schoolboy Fellowship for 1957. This award will enable Frank to attend an English school next fall before returning to the United States for his college work.

For the past five years Governor Dummer has had an English Exchange student who attended the Academy under the same auspices. This year's English student was John A. Wichers of Wimbledon, England, who came to Governor Dummer from Cheltenham College, Cheltenham, Gloucestershire.

MR. DAVID GRANT HEADS MACHINE SHOP COURSE

Mr. David Grant, of the faculty of the Haverhill Trade School, was appointed as instructor for the Saturday-morning machine shop course this year. The boys in this course acquired some skill in the operation of the lathe, drill press, milling machine, shaper, and other machine tools in the Academy's well-equipped shop. As a group project they made from magnesium a beautiful 12-inch model of an 18th century ship's cannon, complete with carriage, trunnions, and elevating screw.

SUNDAY SKI TRIPS ARE POPULAR WINTER FEATURE

Early on several Sunday mornings during the past term, Mr. Ashley Eames from Commons 2 and various and sundry boys from that and other corridors were observed sleepily making their way through the darkness toward the school kitchen, where do-nuts and hot coffee sufficiently awakened them to permit boarding a chartered bus for Sunapee, New Hampshire, and a long day of skiing.

By leaving school long before the regular breakfast hour, these enthusiasts found it possible to reach Sunapee by mid-morning, enjoy several hours on the slopes, and still be back at school in time for the vesper service. They did not always find it possible to stay awake.

STUDENTS SEE MANY ATHLETIC EVENTS IN BOSTON GARDEN

During the winter term large groups of boys were taken to Boston to witness professional hockey and basketball games in the Boston Garden.

The first trip occurred on Sunday, January 20, when twenty-eight boys watched Boston's champion Celtics beat the New York Knickerbockers, 116-98, in a National Basketball League game. On Saturday, February 9, an even larger group saw the Boston Bruins and the Montreal Canadiens in a professional hockey thriller.

On March 2 two bus loads of boys returned to the Garden for the Harvard-Yale intercollegiate hockey game.

The final trip of the term was to another professional basketball game, in which the champion Celtics were opposed by the Syracuse Nationals.

RIFLE CLUB PREPARES FOR NATIONAL MATCHES

The Rifle Club this year aroused an unusual amount of interest and attracted many new members. Elections were postponed in order to let the new and old members become thoroughly acquainted before the officers were named. Regular shooting, however, began at once with special activity on Sunday afternoons.

The main goal of the Rifle Club this year was to form one or two teams of four boys each to shoot in the National Shoulder-to-Shoulder Meet at Gloucester in April.

SENIORS WATCH "OLYMPIC" BASKETBALL GAME AT ANDOVER

On Saturday night, October 13, Mr. and Mrs. Eames and three masters took the senior class to Phillips Academy at Andover to watch an exhibition basketball game between the Boston Celtics and the Rochester Royals, staged in order to raise funds to send our Olympic team to Melbourne.

On the afternoon of October 14, Mr. Philip Smith took a group of boys to Andover to see an exhibition tennis match.

BOYS PLAYING ON SCHOOL GOLF COURSE

The Ould Newbury golf course is located on school property adjoining the campus.

BOB REX '53, DARTMOUTH
FOOTBALL CAPTAIN, GUEST
AT WINTER AWARDS MEETING

Robert M. Rex '53 was guest speaker at the annual rally to award letters and prizes for winter term sports on Friday night, March 15. At Governor Dummer Rex was co-captain of the football team and captain of the basketball team. He won the Goodwin Athletic Prize and the Morse Flag at graduation. He was captain of the 1956 football team at Dartmouth and the Ivy League's leading punter. Boston sportswriters voted him the "Senior Achievement Award" at their annual "Captains' Luncheon".

MORE BRIEFLY

On February 24 about thirty-five boys, accompanied by Mr. Fenn, made a bus trip to Boston to see the 1957 Ice Follies. The Boston Garden was about three-fourths filled for the event with enthusiastic parents and children, and the first half of the three-hour show was designed for the younger children

featuring such acts as Candy-Stick Land and a nine-year-old boy and his father as a skating team. The second half of the show was more entertaining, featuring excellent dance and comedy teams.

* * *

At a recent meeting of the Massachusetts Association of Non-Profit Schools and Colleges, Mr. Dunning was named president for the coming year.

* * *

David N. Walker '53 has again been named to the Dean's List at M.I.T., an honor he has received for three years.

* * *

On Saturday, January 26, Mr. Sager spoke at the sixth annual management seminar of the Associated Industries of Massachusetts, held at the University of Massachusetts in Amherst.

* * *

Sixty boys, primarily members of the football and soccer teams, were ushers at the Harvard-Brown football game in the Harvard stadium on Saturday, November 17. They were accompanied by Mr. Houston, Mr. Murphy, Mr. Navins, and Mr. Sager of the faculty.

ON THE ATHLETIC FIELDS

GOVERNORS WIN FIRST THREE FOOTBALL GAMES

The Governor Dummer football team stretched its victory string to eight straight by winning the first three games of its 1956 season. — from St. Sebastian's 13-0, from Moses Brown 34-7, and from Milton 27-7.

Then on October 27 unbeaten Groton, sparked by New England preparatory-school all-star Hugh Scott, tumbled the Governors from the undefeated class by outscoring them 26-7 in a fast, exciting game before a large Parents' Day crowd.

*St. Mark's Stops Two Long Drives.
Tops Governors by Single Point*

St. Mark's added to the Governors' woes by taking a close 7-6 decision on the following Saturday. St. Mark's very effective passing attack gave them an early touchdown. The Governors staged long drives in both the first and second periods but were stopped inside the twenty-yard line, and it was not until late in the third period that Eddie Johnsen hit Jim Sylvester with a thirty-yard toss and Sylvester romped through the secondary for a touchdown.

Belmont Hill closed the Governors' season in the Byfield Bowl and carried home a 35-0 decision.

138 LETTERS AWARDED TO SEVEN FOOTBALL AND SOCCER TEAMS

At a special evening meeting on the night before the Thanksgiving vacation, letters were awarded to the members of the Lightning, C-Squad and Pony football teams and to the Junior Varsity and Pony soccer teams. Each of those teams had had its own field, its own work, and its own schedule of outside games.

Members of the varsity football and varsity soccer teams received their awards at the annual Christmas Dinner and brought the total number of letters awarded for football and soccer to 138.

SOCCER TEAM COMPILES FOUR-TWO-FIVE RECORD

The 1956 soccer team won four games, tied two, and lost five for a .155 season in which they scored twelve goals to their opponents' sixteen.

The scoreless tie with Tabor on Parents' Day, October 27, was one of the highlights of the season. Play was hard and exciting throughout; and in the two over-time periods the large crowd of spectators was treated to one tense moment after another as first Tabor then the Governors mounted offensives which threatened to result in tie-breaking scores.

In other league games, the Governors beat Noble and Greenough, Brooks, Milton, and Belmont Hill, but lost to St. Mark's and Browne and Nichols. The complete schedule follows:

	GDA	OPP.
Phillips Academy	1	4
Noble and Greenough School	2	0
Browne and Nichols School	1	3
Brooks School	1	0
Belmont High School	1	2
Milton Academy	2	0
St. Paul's School	1	3
Tabor Academy	0	0
St. Mark's School	0	2
Medford High School	1	1
Belmont Hill School	2	1

MID-SEASON SPURT GIVES GOVERNORS SUCCESSFUL BASKETBALL SEASON

The 1957 basketball team, boasting but one returning letterman, presented Mr. Williams, replacing Mr. Witherspoon as head coach, with many difficult problems. As finally shaped up, the usual starting line-up included Captain Bill Hallenbeck and Randy Light as forwards, Fred Sayles at center, and Kent Dumont and Hardy Bedford in the backcourt.

In their first three games the Governors suffered setbacks at the hands of the M.I.T.

ACTION IN ALUMNI GYMNASIUM

Browne and Nichols scored this one but Governor Dummer won the game.

Freshmen 72-43, St. Sebastian's 44-38, and Lawrence Academy 48-37.

Their first win was achieved at Belmont Hill, 59-49. Rockport High School, 62-47, and St. Paul's, 34-29, were the next victims. An overtime period was required for the Governors to down Moses Brown by a single point, and another close game followed when the Governors earned a 43-40 decision over Moses Brown. The sixth straight victory was a 74-67 tally at Milton.

Belmont Hill Ends Governors'

Winning Streak at Six Straight

Belmont High then humbled the Governors, 60-43, but the Redmen earned a 55-52 decision over Hebron three days later.

Huntington topped the Governors by only two points, but Tabor amassed a 20-point advantage in the final game.

Fred Sayles was a consistent high scorer during the season. Randy Light and Captain Bill Hallenbeck usually controlled the boards, and they with Kent Dumont, Tony Bourn, and Scott McLeod added many needed points.

1957 GOVERNOR DUMMER

WRESTLERS HAVE SECOND

UNDEFEATED RECORD

The 1957 wrestling team has completed the second undefeated season in the history of the sport at Governor Dummer. Captain Kevin Leary, heavyweight Mike Tyler, Hal Pouser, Pete Stanley, Gene Bouley, were consistent winners, but almost as much the team owes its enviable record to Lymie Cousens, Ned Stone, Don Kaufman, Max Ule, Lonnie

Churchill and others who had the grit and determination to produce nearly impossible points at crucial times.

The season commenced on January 12 in a dual meet against Noble and Greenough. With a strong nucleus of returning lettermen, a good beginning for a good season was expected, and the final score was 21-15.

On the 19th, when the Governors played host to the Belmont Hill School, Captain, Leary, Bouley, Ule, Pouser, Stanley, and Tyler all gained pins as the Governors racked up a 36-10 score.

Next on the agenda was the meet with a surprisingly good St. Mark's team. Leary and Tyler gained an important ten points to clinch a 22-16 victory.

At Roxbury Latin, the first out-of-town meet of the year, the Governors barely eked out a 23-18 victory. With four wins under their belts, the Governors travelled to Brooks on February 6 for a somewhat easy victory, 38-4.

Victory at Milton Raises

Hopes of Undefeated Record

February 9 marked the date of the crucial Milton meet. Pouser gained the only win among the lightweights; the score before the 147 lb. bout was 14-5 for Milton. Gene Bouley and Kevin Leary came through with decisions and the scoreboard read 17-11 at the beginning of Stanley's bout. Pete handily pinned in the third period, and Tyler showed his man the lights in 40 seconds of the first. It was a most gratifying 21-17 win, being only the second over Milton in many years.

Tabor was the next obstacle, which the Governors overcame 24-16. In the final meet of the season the Governors downed Browne and Nichols 35-8, to gain their second undefeated record.

COWBOYS AND INDIANS

WHOO IT UP IN ANNUAL

VOLLEYBALL LEAGUE

At an evening meeting shortly before Thanksgiving vacation, the student body waited in anxious anticipation for Poobah. Due to circumstances beyond his control, he was not able to attend the meeting. However, Mr. Mercer was a representative of Poobah and officially opened the volleyball season. The teams this year were divided into the Cowboys

and the Indians, with eight teams in each league.

In the Cowboy League three teams contended for the top spot. They were Mr. Sperry's Buffalo Bills, Mr. Houston's Andy Devines, and Mr. Miller's Tom Mixes. In the Indian League the two top teams were Mr. Smith's Tontos and Mr. Kerr's Algonquins.

MOST HOCKEY GAMES ARE PLAYED ON HARVARD'S ICE

On Wednesday, January 9, the Governors opened the hockey season with a 7-2 loss to St. Mark's at Southboro. In the first of many games on the Harvard indoor rink, the Governors downed Browne and Nichols 5-2 on January 13.

In other games on Harvard ice the Governors beat Lawrence Academy 5-1 and were beaten by Noble and Greenough 4-1, Middlesex 3-1, and St. Sebastian's 6-1.

At home the Governors were beaten by Danvers and Winchester High Schools by identical 6-2 scores. On the road they succumbed to Brooks and to Milton, 4-1, 4-1.

TRACK TEAM UNBEATEN IN DUAL COMPETITION

Beautiful spring weather prevailed on Saturday, April 20, when the Governors went to Exeter, New Hampshire, to compete in the Exeter Relays.

The Governors entered ten events and won three of them, while setting one meet record and one school record. Co-Captain Dick Pescosolido teamed with Kent Dumont and Pete Vermilya to win the broad jump; Co-Captains Peter Cadigan and Pescosolido with Dick Field and Bob Temple took the one-mile relay; and Bill Capel, Howard Medwed, Dumont, and Mike MacLean took the junior relay.

On Wednesday, April 21, led by Pescosolido with five first places and Gale French with two, the Governors swept to a 62½-51½ victory over the M.I.T. Freshmen at Cambridge.

On May 11 the Governors were host to the Milton Academy tracksters and rather ungraciously handed them an 81-2/3-10-1/3 defeat. Milton's Yeomans was high scorer

LACROSSE IS A MAJOR SPORT

The Academy has had two unbeaten lacrosse teams in recent years, several championships. Graduates are found on many eastern college teams.

with three first places; but the Governors captured all the others along with many seconds and thirds.

On May 16 Deering High School sent down its track stars from Portland, Maine, to challenge the Governors. An unusual three-way tie among Bill Hallenbeck, Dave Hardenbergh, and Fred Sayles gave the Governors all three places in the high jump. Co-Captains Cadigan and Pescosolido, Gale French, Bill Hallenbeck, Kent Dumont and others contributed enough additional points to give the Governors a 76-1/3-40-2/3 victory.

Governors' Retain Class B

Title at Andover Meet

At the preparatory school meet, Saturday, May 18, the team took the Class B title and placed third behind Exeter and host Andover in Class A.

The Governors racked up their fourth straight on May 22 by downing the Belmont High School tracksters 69-1/6-52-5/6, and ended the season with an 81-1/3-40-2/3 triumph over St. Paul's.

LACROSSE TEAM ROMPS AFTER OPENING LOSS TO ANDOVER

At the beginning of the 1957 lacrosse season, no extraordinary number of victories was expected. Missing was the sparkling attack composed of feeder Joe MacLeod and creaseman Tom Elder.

Nevertheless, under the coaching of Mr. Evans, assisted by Mr. Kerr and Mr. Murphy, and with constant assistance and chatter from able Captain George Starbuck, the team made ready for its first and toughest game of the year against Phillips Academy on April 24. Andover 15 — G. D. A. 2.

The following Saturday, April 27, brought much better fortune when the Tufts Freshmen came to South Byfield, and the Governors served the first shutout recorded by them in nine years. Final score 10-0.

At Durham, New Hampshire, on the first of May the Governors beat the New Hampshire Freshmen, 6-0.

The following Saturday, on spring dance

VOCIFEROUS ROOTERS APPLAUD EFFORTS OF VARSITY LACROSSE TEAM

weekend, the M.I.T. Freshmen opposed the Governors. The home team was apparently excited and nervous with all the girls on the sidelines, and their play was not up to par. Despite the scoring efforts of George Starbuck, Jack Williams, and Frank McGuire, the Governors bowed 8-7.

St. Mark's School at Southboro was the next opponent. The Governors completely outplayed them during the whole game, winning 7-2.

When the Governors faced Kimball Union on Saturday, May 11, on Whipple Field a steady drizzle did not prevent the home team from winning its fourth game of the season, 10-4.

On Wednesday, May 15, the Governors met Lawrence Academy at Groton and won 11-6.

On Saturday, May 18, the Governors played host to the strong St. Paul's team. The visitors built up a three-goal lead before the Governors began to come through in the second half, and the Governors went down to defeat 6-4.

On May 25 the Governors ended their season with an upset victory over a strong Tabor team. After taking an early lead, the Governors saw it slowly whittled down until the score was tied at the final whistle. One overtime period passed without score; another was nearly over when the Governors capitalized on a break and emerged victorious 9-8.

TENNIS TEAM IS OUTCLASSED
BY ANDOVER, EXETER, ST. PAUL'S

On the 20th of April the Governor Dummer tennis team lost its opening meet to Middlesex, and on April 24 it met a similar fate at M.I.T., although singles victories by Captain Cyril Fung and Peter Fitts and doubles victories by Fung and Bob Hicks and by Jim Brooks and Scott McLeod kept the Governors in the running.

Losses to St. Paul's and to the Phillips Academy J.V.'s at Andover followed before the Governors entered the win column against the Tufts Freshmen 7-2.

The remainder of the schedule follows:

	GDA	OPP.
Phillips Exeter Academy J.V.	3	6
Belmont Hill School	3	6
Milton Academy	0	9
Brooks School	4	5

VARSIITY NINE WINS FIRST AND
LAST OF ELEVEN-GAME SCHEDULE

From a squad made up largely of young and inexperienced players Coaches Howard Navins and Ashley Eames fielded a team which compiled the unenviable record of nine defeats and only two victories.

But the Governors won their opening contest from Groton 7-0 and their final Commencement game from Belmont Hill 10-7. And in between they put on a dazzling exhibition against Tabor before their dance-weekend guests and held that powerful club to a 1-0 victory.

The Commencement game against Belmont Hill was a real thriller. Given very little chance to win, the Governors entered the contest as if they, not Belmont Hill, were the undefeated team. Ed Johnsen on the mound was given excellent support. Billy Mathews, Bob Linberg, Jim Sylvester, and Kim Kimball acted as if base hits were a matter-of-course. And by the seventh inning, a four-run rally by the visitors was only a minor interruption in an inspired performance.

The complete schedule follows:

	GDA	OPP.
Groton School	9	4
Belmont Hill School	3	9
Browne and Nichols School	9	14
Noble and Greenough School	6	7
Tabor Academy	0	1
St. Mark's School	0	8
Kimball Union Academy	2	3
St. Sebastian's School	1	2
Milton Academy	0	9
Middlesex School	3	10
St. Paul's School	0	12
Belmont Hill School	10	7

GOVERNORS PLACE SECOND IN
ANDOVER-EXETER GOLF MATCH

This year's golf team, captained by Bill George, opened the season against the Harvard Freshmen on April 20 and went down 5-1, Alan Tucker being the only Governor to win his match.

In the annual triangular competition with Andover and Exeter, the three matches played at Andover, Exeter, and Ould Newbury were remarkably similar. In each the Governors

topped Andover but trailed Exeter; in each Bill George was low scorer.

In their other match played at Ould Newbury, the Governors easily defeated St. Sebastian's of Newton. 9-1.

FORESTRY SQUAD COMPLETES FIRE LANE AROUND WOODS

At Governor Dummer there is an unsung band of eleven intrepid woodsmen who spend their afternoons in the Academy woodlands. Under the direction of Mr. Dunning, this year's squad is industriously cutting a fire-break around the school woods.

This year's squad is the largest yet and is close to the limit which has been established. Mostly composed of freshmen and sophomores, the squad can foresee a few years of capacity enrollment and an opportunity to tackle some of the many other projects which were temporarily shelved to permit construction of the highly important fire-break.

FISHING CLUB FLOURISHES ON STOCKED PARADISE POND

Paradise Pond was officially opened to the Governor Dummer fishermen on April 14. With the dues from over twenty members, Mr. Dunning went to the fish hatcheries at Plymouth and came back with fifty Rainbow trout between nine and fifteen inches long.

The fish were then given a few days to acclimate themselves before the pond was opened; no live bait was permitted, and the fishermen had to use barbless hooks, but more than a hundred fish were caught and released between opening day and the annual fish fry, which was held on May 18 and 19 and which was enjoyed by all members.

NINE GAMES SCHEDULED ONE WEDNESDAY AFTERNOON

On Wednesday, May 15, Governor Dummer teams were engaged in nine interscholastic contests in five different sports. Varsity, pony, and jayvee teams in baseball and la-

crosse were in action and the varsity track, tennis, and golf teams.

The school policy of providing interscholastic competition below the varsity level in all major sports often provides a busy schedule, but seldom has there been such activity as on that Wednesday, when arriving and departing buses made the gym parking lot resemble an interurban terminal.

GOVERNOR DUMMER RETAINS MARSTERS LACROSSE TROPHY

On February 3, at the annual meeting of the New England Intercollegiate Lacrosse League, the 1956 Governor Dummer lacrosse team was awarded the Charles E. Marsters trophy, presented annually by the Boston Lacrosse Club to the secondary school team displaying the best combination of sportsmanship and improvement during the past season. This is the second consecutive year the award has been made to a Governor Dummer team. The 1956 team had an undefeated season and the 1955 team lost only one game.

GOVERNORS WILL JOIN PRIVATE SCHOOL BASEBALL LEAGUE IN '58

The Governors' baseball schedule for 1958 will be only slightly changed as a result of their joining the Private School Baseball League. Games with Groton, Milton, St. Mark's, Browne and Nichols, Noble and Greenough, Middlesex, and Belmont Hill will be played as in the past.

The only newcomers on the schedule, both of whom the Governors meet in other sports, are the Brooks School and Roxbury Latin.

Soccer and Hockey Leagues

Already Dominate Schedules

For a number of years Governor Dummer has been a member of the Private School Soccer and Hockey Leagues, which include many of the same schools. The Soccer League, formed in 1948, was sponsored by Dr. Richard M. Gummere, then Chairman of the Committee on Admission to Harvard College. The Governors won the championship in 1952 and again in 1953; they have not yet reached that height in hockey.

THE ARCHON OF GOVERNOR DUMMER ACADEMY

TRUSTEES OF GOVERNOR DUMMER

First row (left to right): Dr. Claude M. Fuess, Headmaster Edward W. Eames, Mr. Philip M. Morgan, Mr. Marshall B. Dalton, Mr. Lisenard B. Phister, Mr. Augustus P. Loring, and Mr. Morris P. Frost '35.

Second row: Dr. Arthur W. Allen, The Reverend George L. Cadigan, Mr. Roger B. Coulter, (Alumni Visitors Rodman Gearhart '29 and James B. Gardiner '23), Mr. Gerry J. Dietz, and Mr. Allen Davidson.

Elected since photograph: Mr. Frederick S. Moseley, Jr. and Mr. Lothrop Withington.

Absent: Dr. Frank L. Boyden.
